Ride London PRU 100

Enter Prudential Ride London on Sunday 4 August 2019 and you will experience the iconic Olympic race route.
This is your opportunity to cycle the closed roads of London and into the stunning Surrey and Mole Valley countryside, finishing on the Mall, just outside Buckingham Palace.

We'll be there to cheer you around the course and help you with your training programme to make sure you are primed and ready to make the most of this enjoyable challenge.
The route goes through Mole Valley so all friends and family can watch and support riders around the course.

Now's the time to take on a 100 miles of exhilaration and thrills and help us to raise money.
Funds will enable us to continue to give free, confidential, impartial information and advice to assist local people with money, benefits, housing, consumer, legal and other problems.

Citizens Advice Mole Valley

We are a local independent charity. We're here for everyone.
Our service offers free, confidential advice to anyone in our local community; whoever you are. We help people overcome their problems and campaign on big issues when voices need to be heard.
We value diversity, champion equality, and challenge discrimination and harassment.

Last year we provided 3,500 people with the facts and possible outcomes so they could make the decision that was right for them.

All public places have now been allocated and entry closed, so the only way now to participate in this year's ride is in association with a charity.
As an important local charity we have a few places left for people to sign up to ride and raise some much needed funds for Citizens Advice Mole Valley.

To apply for a place or for further information on this event, please contact Steven at **steven1phillips@gmail.com**
